To whom it may concern:

This is to inform that TERSAN Tersanecilik San. Tic. AŞ. has been supplied regularly since the last four (4) years by A-SPE Polska with the IMO safety signs and posters.

We were satisfied with the contact support and punctual service from their side. We also consider the supplied safety signs as a good quality product, worth of recommendation to any party who has a need for the similar materials.

Sincerely Yours

Hasan Emrah SÖNMEZ
